Dear Col Crosby
Phila

I had no idea that the
gold dollars were not to
be had at the mint &
save, one dollar, I do not
care to pay a large premium.
So kindly purchase one as near
as can be had & at best it can
be procured at & send me it
& the balance of money back
in check or otherwise. Please
take out the 25 cts for your
telegram also. And as I can
I think receive the dollar from
you by Thursday morning, I remain
with many thanks for your trouble
at your command Very truly
